

REQUEST FOR QUOTATION

Date: SEPTEMBER 17, 2024

Location: SAGAMU

Vendor: ALL INTERESTED VENDORS

Quotation Description: CCTV SURVEILLANCE AND ALARM SYSTEM INSTALLATION FOR SAGAMU WAREHOUSE

SPECIFICATION:

- DEPLOYMENT OF CCTV SYSTEM TO ADEQUATELY SECURE ACTIVITIES ON SITE WITH HIGH FOCUS ON SAFETY OF THE WAREHOUSE AND ITS CONTENT
- PROVISIONING OF BURGLAR ALARM SYSTEM FOR SITE

SCOPE OF WORK:

- Site Assessment: Evaluate the warehouse layout, identify critical areas for surveillance, and determine optimal camera placement.
- Camera Installation: Install high-definition cameras in strategic locations, including entrances, exits, storage areas, and key operational zones.
- Recording & Storage: Set up a centralized recording system with sufficient storage capacity and redundancy to ensure data integrity.
- Monitoring: Implement a monitoring station for live feed and playback capabilities.
- Maintenance: Provide a maintenance plan to ensure the system remains operational and up-to-date.

CAMERA SPECIFICATIONS:

- Type: High-definition (HD) or 4K cameras and PTZ cameras where possible

- Features: Night vision, motion detection, wide-angle lenses, and weatherproofing (if applicable)
- Coverage: Full coverage of high-traffic and high-risk areas

RECORDING SPECIFICATIONS:

- Resolution: High-definition recording
- Retention: Minimum of 90 days of storage with options for extended periods

INSTALLATION REQUIREMENTS:

- Wiring: Concealed wiring for a clean installation and to avoid tampering

Arrangements can be made for site inspections.

JOB TERMS:

- PROJECT EXPECTED DELIVERY DATE IS OCTOBER ENDING
- THERE WILL BE NO ADVANCE PAYMENT.
- BID MUST BE SUBMITTED ON OR BEFORE 23/09/2024
- NOTE: ALL BIDS SHOULD BE SUBMITTED TO: lsfrfq@livestockfeedsplc.com
